

Identificación a nivel especie

Especies de las Lagunas del Ecoparque

American Coot ➡ ***Fulica americana***

Gallinetas (Rálidos)

Spotted Sandpiper ➡ *Actitis macularius*

Playeros (Scolopacidae)

Green-winged Teal ➡ *Anas crecca*

Patos (Anatidae)

Northern Shoveler → *Spatula clypeata*

Patos (Anatidae)

Black-necked Stilt → *Himantopus mexicanus*

Playeros (Recurvirostridae)

Blue-winged Teal ➡ *Spatula discors*

Patos (Anatidae)

Ash-throated Flycatcher ➡ *Myiarchus cinerascens*

Mosqueros (Tyrannidae)

Greater White-fronted Goose ➡ *Anser albifrons*

Patos (Anatidae)

Black Phoebe ➡ *Sayornis nigricans*

Mosqueros (Tyrannidae)

Least Sandpiper ➔ *Calidris minutilla*

Playeros (Scolopacidae)

Cattle Egret ➡ *Bubulcus ibis*

Garzas (Ardeidae)

Killdeer

Charadrius vociferus

Playeros (Charadriidae)

Yellow-rumped Warbler → *Setophaga coronata*

Chipes (Parulidae)

American Pipit ➡ *Anthus rubescens*

Bisbitas [Pipits] (Motacillidae)

Dunlin

Calidris alpina

Playeros (Scolopacidae)

Redhead

Aythya americana

Patos (Anatidae)

Great Horned Owl → *Bubo virginianus*

Búhos (Strigidae)

Long-billed Dowitcher → *Limnodromus scolopaceus*

Playeros (Scolopacidae)

Crested Caracara ➡ *Caracara cheriway*

Halcones [Caracara] (Falconidae)

Brown-headed Cowbird → *Molothrus ater*

Tordos (Icteridae)

Ruddy Duck ➡ *Oxyura jamaicensis*

Patos (Anatidae)

California Gnatcatcher → *Poliioptila californica*

Perlitas (Poliioptilidae)

Blue-gray Gnatcatcher ➡ *Poliioptila caerulea*

Perlitas (Poliioptilidae)

Comparación Perlitas

Poliioptila caerulea

Poliioptila californica

American White Pelican → *Pelecanus erythrorhynchos*

Cactus Wren

→ *Campylorhynchus brunneicapillus*

Saltaparedes (Troglodytidae)

Gila Woodpecker

Melanerpes uropygialis

Carpinteros (Picidae)

Blue-winged Teal ➡ *Spatula discors*

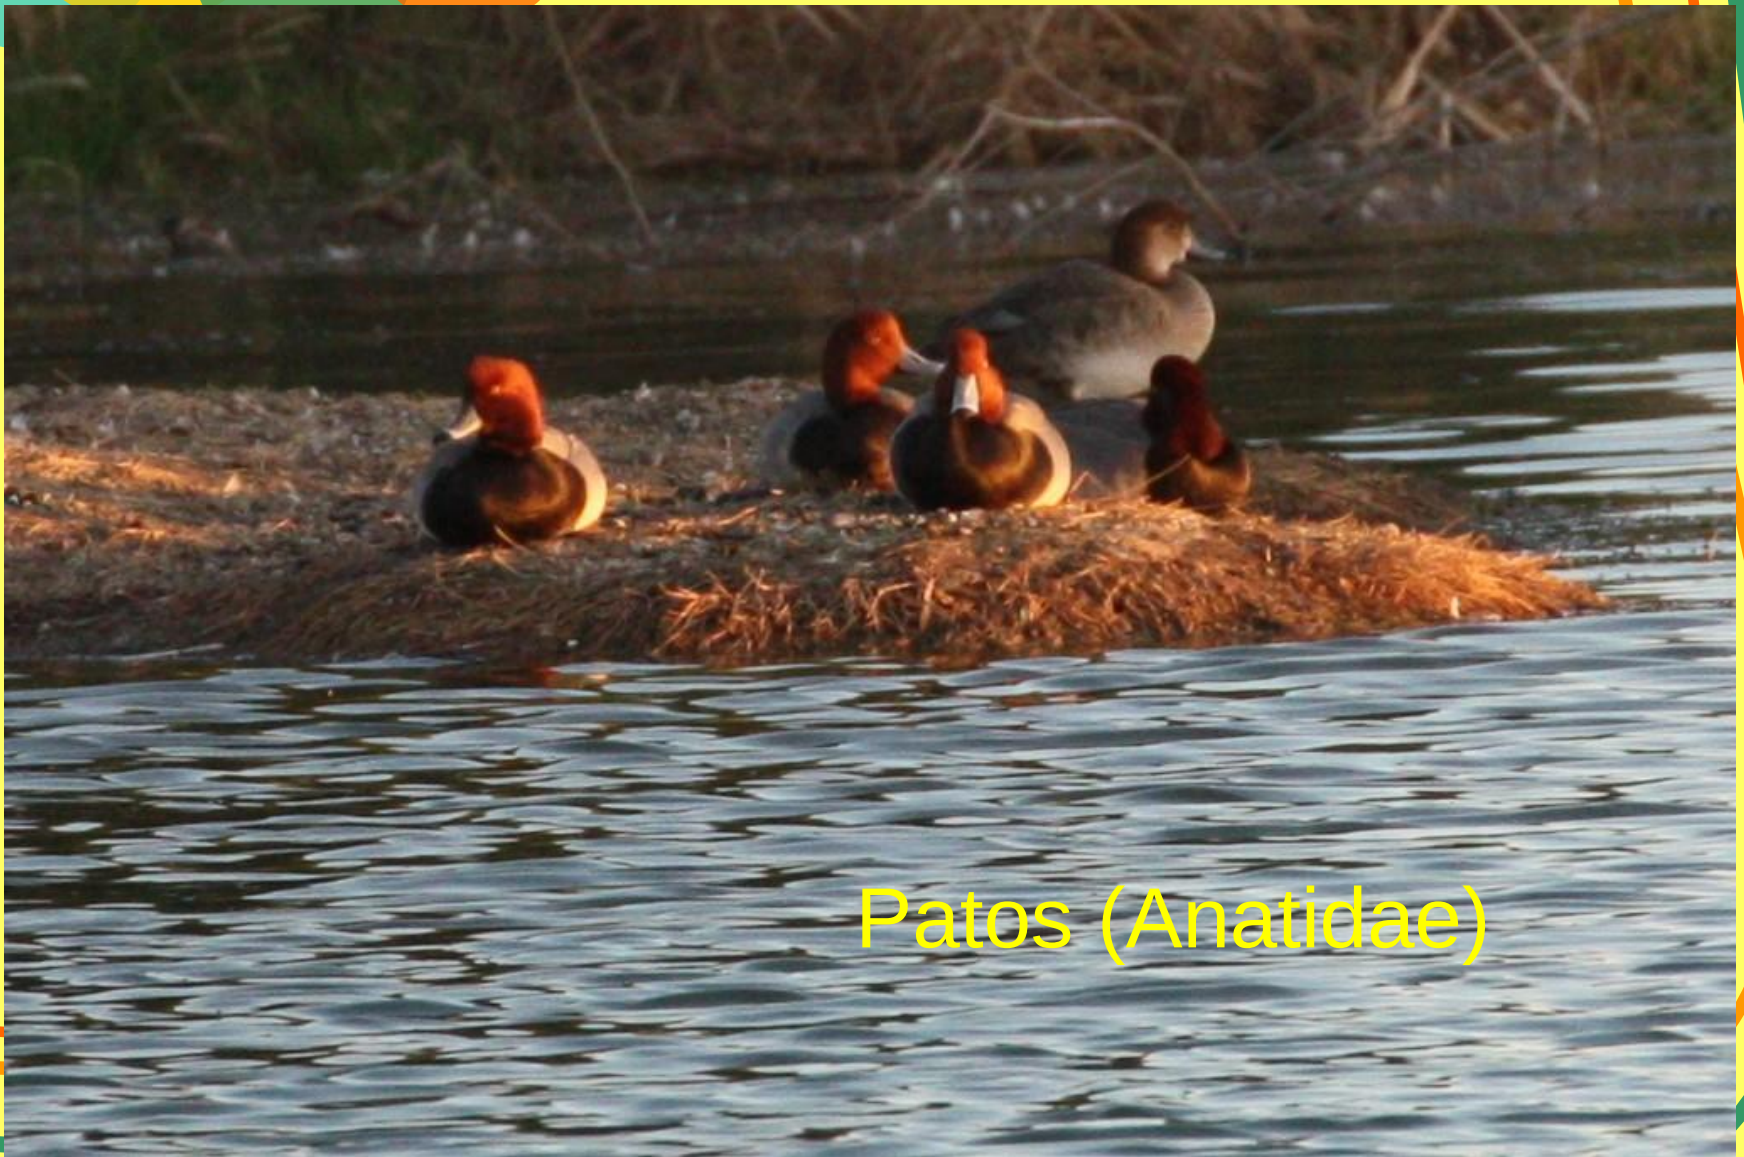

Patos (Anatidae)

Greater Roadrunner ➡ *Geococcyx californianus*

Cucos (Cuculidae)

Redhead ➡ *Aythya americana*

Patos (Anatidae)

White-faced Ibis ➡ *Plegadis chihi*

Íbices (Threskiornithidae)

Magnificent Frigatebird ➡ *Fregata magnificens*

Tijeretas (Fregatidae)

Northern Shoveler

Spatula clypeata

Patos (Anatidae)

Great Blue Heron ➡ *Ardea herodias*

Garzas (Ardeidae)

Cinnamon Teal → *Spatula cyanoptera*

Patos (Anatidae)

Northern Cardinal → *Cardinalis cardinalis*

Picogordos (Cardinalidae)

Mourning Dove ➡ *Zenaida macroura*

Palomas (Columbidae)

Northern Pintail → *Anas acuta*

Patos (Anatidae)

Phainopepla ➡ *Phainopepla nitens*

Capulineros (Ptiliogonidae)

Black-bellied Whistling-Duck ➡ *Dendrocygna autumnalis*

Patos (Anatidae)

American Avocet ➡ ***Recurvirostra americana***

Playeros (Recurvirostridae)

White-winged Dove ➡ *Zenaida asiatica*

Palomas (Columbidae)

White-faced Ibis → *Plegadis chihi*

Íbices (Threskiornithidae)

Verdin

Auriparus flaviceps

Verdín [Baloncillo] (Ramizidae)

White Ibis ➡ *Eudocimus albus*

Íbices (Threskiornithidae)

Gray Trasher

Toxostoma cinereum

Cuitlacoche (Mimidae)

Least Grebe ➡ *Tachybaptus dominicus*

Zambullidores (Podicipedidae)

Green Heron → *Butorides virescens*

Garzas (Ardeidae)

Wilson's Phalarope → *Phalaropus tricolor*

Playeros (Scolopacidae)

Northern Monckingbird → *Mimus polyglottos*

Cuitlacoche (Mimidae)

Blue-winged Teal ➡ *Spatula discors*

Patos (Anatidae)

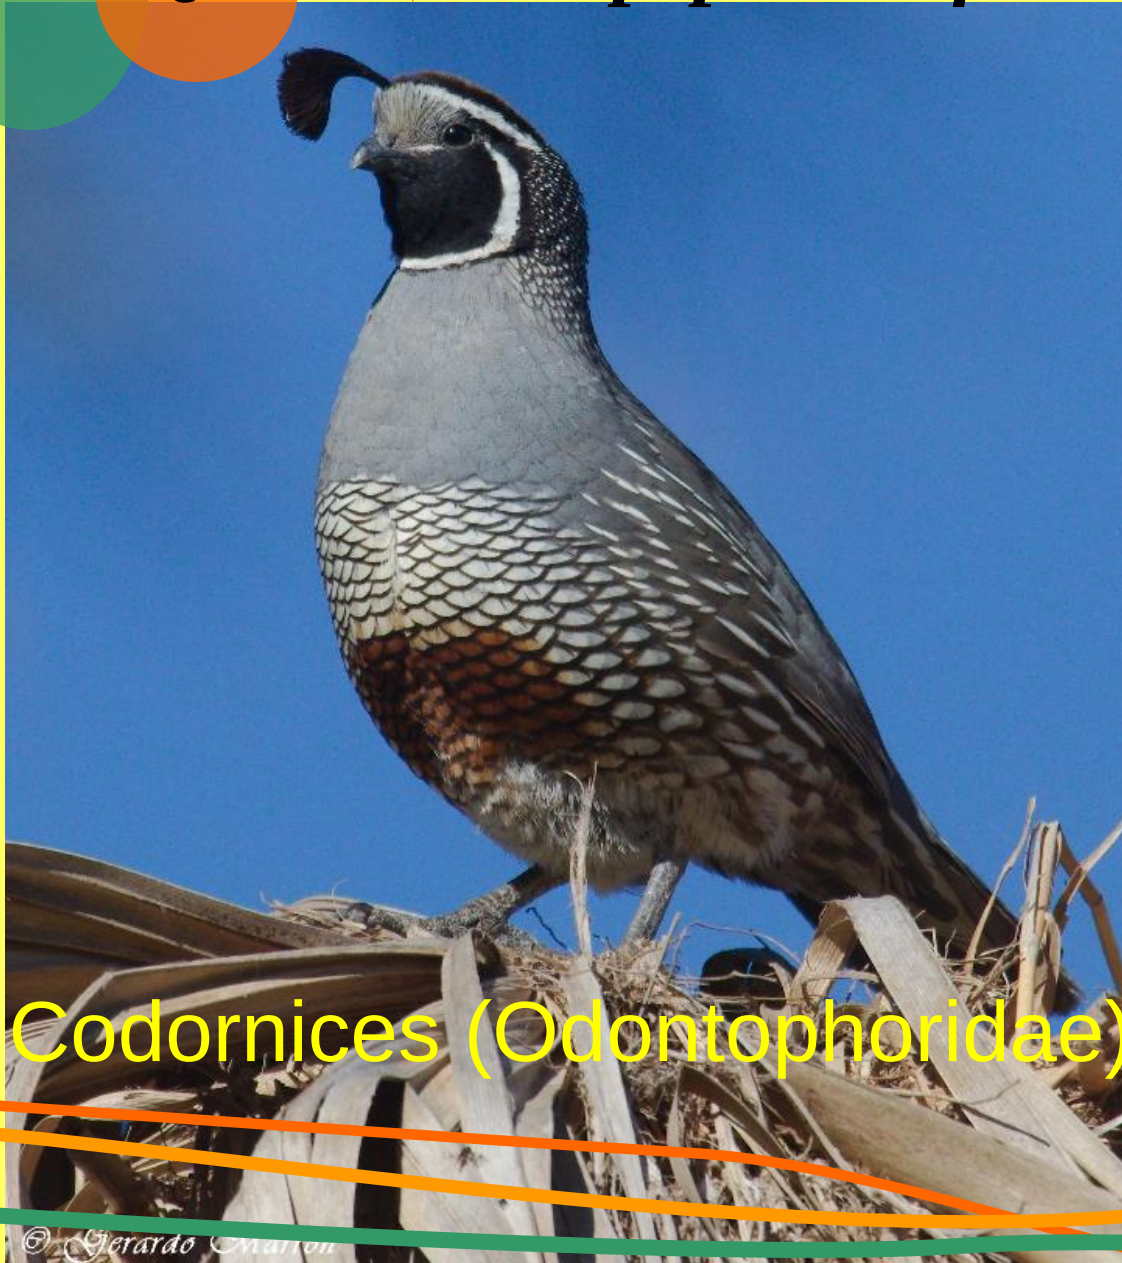

Western Sandpiper → *Calidris mauri*

Playeros (Scolopacidae)

California Quail → *Callipepla californica*

Codornices (Odontophoridae)

Pied-billed Grebe ➡ *Podilymbus podiceps*

Zambullidores (Podicipedidae)

Common Ground Dove → *Columbina passerina*

Palomas (Columbidae)

Yellow-footed Gull → *Larus livens*

Gaviotas (Laridae)

Great Egret

Ardea alba

Garzas (Ardeidae)

Snowy Egret

Egretta thula

Garzas (Ardeidae)

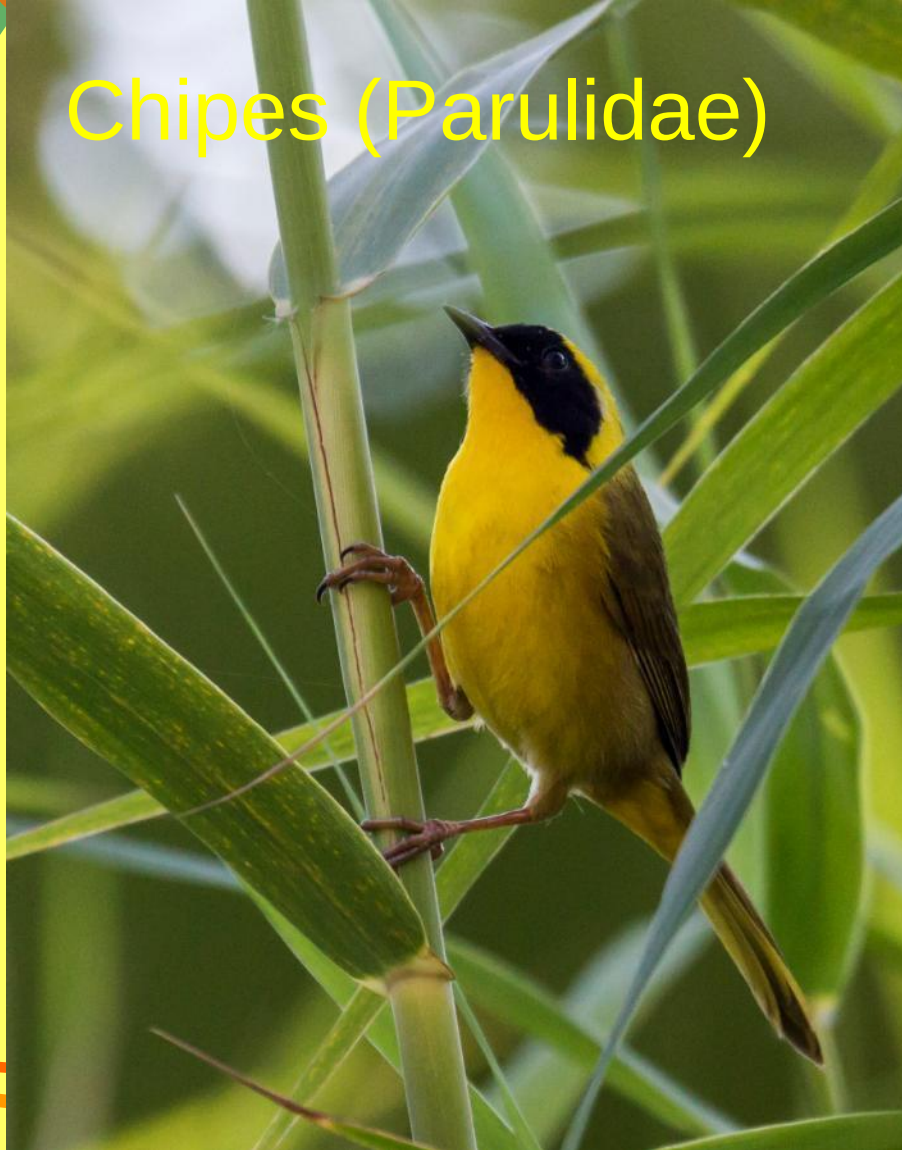

Common Yellowthroat → *Geothlypis trichas*

Chipes (Parulidae)

Belding's Yellowthroat ➡ *Geothlypis beldingi*

Chipes (Parulidae)

Comparación Mascaritas

Hembras muy parecidas

Hooded Oriole → *Icterus cucullatus*

Calandrias (Icteridae)

American Wigeon ➔ *Mareca americana*

Patos (Anatidae)

Ya no deberías
de salir a
pajarear

Mi abuelo
vivió
92 años.

¿Pajareando?

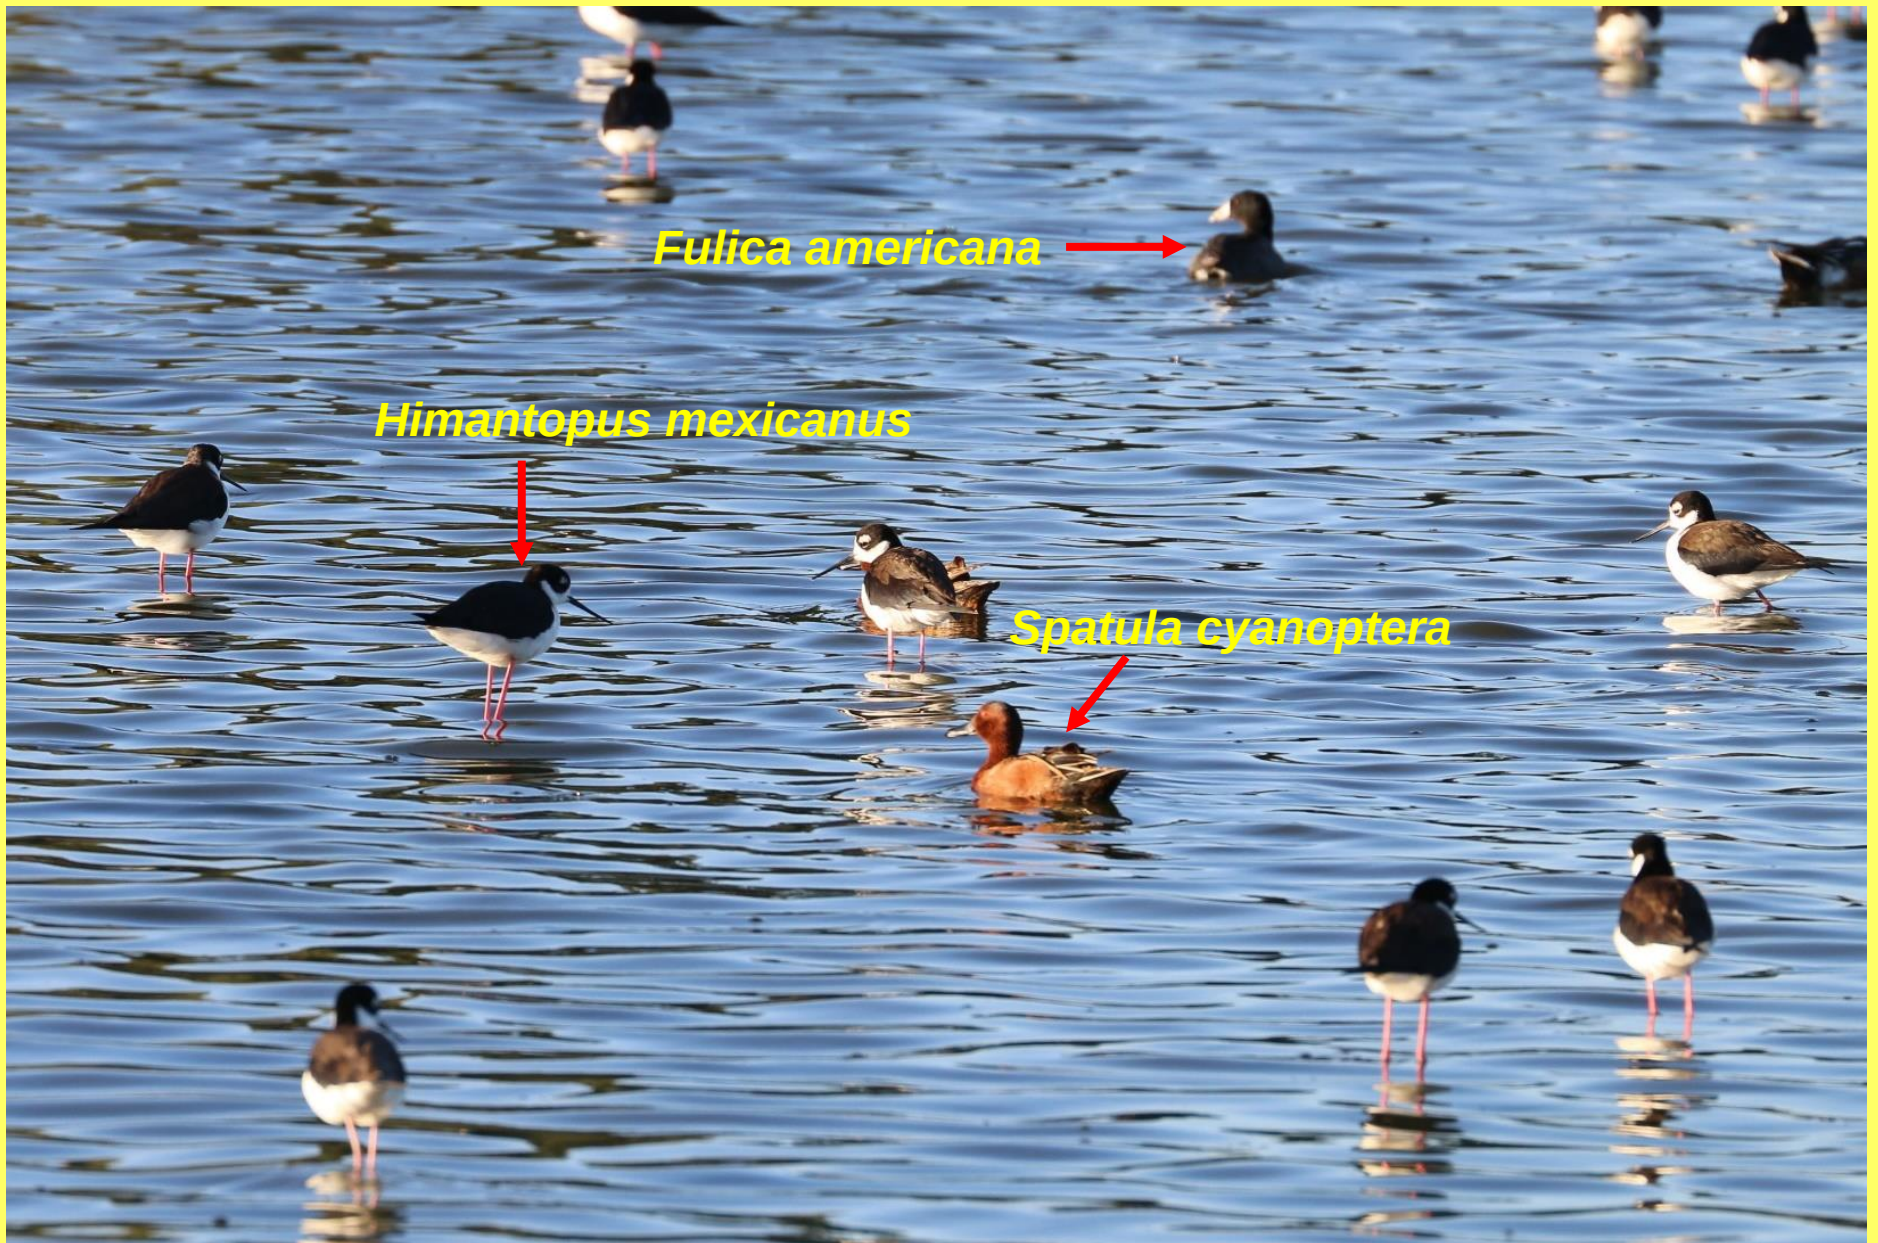

No, sin
meterse en
la vida de
los demás.

Ahora “en bola”

Leucophaeus atricilla

A photograph of three birds in a wetland. The birds have brown upperparts and lighter underparts. They are standing in shallow water with dark, muddy ground visible in the background. The bird on the right is facing left, while the other two are facing right. Red arrows point from the text labels to the birds.

Calidris mauri

Calidris alpina
